(b) Fourth of July Float – Sudbury Parade - Peter Welsh – 2009 was a great Parade. Savoyard Float earned Second Place in its group. Peter thanked all who had helped with the effort. The float featured six recent performances which included Our Town, Yeoman, Utopia, Arsenic, Charley Brown and Princess Ida. Noted: \* SUMC Schedule conflict Hawes Hall double booked on June 13. Good that it was a sunny day. \* Saturday Tech Day turnout was mixed. Participation at 1<sup>st</sup> and 3<sup>rd</sup> weekends low, middle weekend was good.\* Recommended we replace some of our 4'X8' Signs that are warped or very heavy (2 signs) with new plywood. It would help tracing and painting. \* With only 3 weeks for signs the simple design of Our Town and Princess Ida signs worked well. \* Parade CD had a lot of thought to cover the recent shows and keep the beat consistent with the parade, \* Recommended 1,500 ½ page flyers for 2010. Also control distribution so we have some left for the RT 27 Parade end. \* Speakers on truck roof worked well. \* Recommended for 2010 to contact Sudbury Lumber 2-3 months in advance and ask for the 22' Mack truck. " Also recruit a host for the after parade party.

Discussion on putting a discount flyer, (similar to Parade Flyer), on the web site – Tabled to 2010.
