

# The Sudbury Savoyards

Dear Playbill Advertisers:

Founded in 1961, The Sudbury Savoyards is a non-profit community theater arts organization that has been performing the operettas of W.S. Gilbert & Sir Arthur Sullivan for over 60 years.

We are delighted to present our 2025 production of *Ruddigore* February 22 - March 1.

In this time of shrinking support for the arts, especially live theater, we need your assistance now more than ever as we depend upon our advertisers, patron donations and ticket sales to meet our production and yearly operating expenses.

You can help support our efforts by advertising in our playbill.

Please use the enclosed form to reserve your space. All ad copy must be received by February 2, 2025 in order to meet our publishing deadline.

To check space availability, or questions about advertising, please email:

If you are a new advertiser, welcome to The Sudbury Savoyards community, and if you have advertised with us in the past, we thank you for your continued support!

Additional information about the production can be found on our website:
